

**Application for award of the Certified Professional Geologists (CPG)  
with the American Institute of Professional Geologists  
under the reciprocity agreement with  
the European Federation of Geologists**

EurGeol number \_\_\_\_\_ AIPG CPG Member number \_\_\_\_\_

**Instructions to Applicant**

Before filling out this form, please read the [Bylaws](#) and [Code of Ethics](#) of the American Institute of Professional Geologists, which must be followed by all members and CPG's of the American Institute of Professional Geologists.

After completion of this form please return it to: EFG Office, European Federation of Geologists, Rue Jenner 13, 1000 Brussels, Belgium for confirmation that you are a European Geologist member in good standing with the EFG. The EFG will then forward the form to the American Institute of Professional Geologists.

This application is in the form of an affidavit to simplify the presentation of data without the necessity of submitting a professional report and supporting professional documents.

Title	Last name	First name	Middle name

**RECORD OF COLLEGE/UNIVERSITY EDUCATION**

From	To	College or University (include location)	Major subject	Degree received and dates

**AFFILIATIONS:** List the geological societies and organizations of which you are an active member. (Attach additional page, if necessary.)

Name of Organization	Class of Membership	Year granted	Offices held	Honors received

**PREVIOUS WORK EXPERIENCE:** In chronological order, list the employers name and address, dates and nature of duties. Please include all periods, whether or not in the geological profession (Attach additional page, if necessary.)

From	To	Employer, name and address	Description of Duties

**CURRENT EMPLOYMENT:**

Employer: \_\_\_\_\_  
 Address: \_\_\_\_\_  
 Title: \_\_\_\_\_  
 Nature of duties: \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

**LIST OF ATTACHMENTS:**

Passport Style Photo (may be electronically attached)

**DECLARATION BY CANDIDATE**

I, the undersigned, wish to apply for the title of Certified Professional Geologist (CPG).

I hereby authorize the European Federation of Geologists to provide, from its records, any information concerning my qualifications as may be requested by the American Institute of Professional Geologists in support of this application.

I declare that the degree qualifications and experience as set out in this application are correct.

I do hereby agree that, if I am elected a CPG, I shall promote the interests and welfare of the American Institute of Professional Geologists and observe its Bylaws and Code of Ethics so long as I shall continue to be a Certified Professional Geologist.

I further agree that I shall pay such dues as are required of me on or before the specified dates and in the manner described by the American Institute of Professional Geologists.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**Send the completed form and accompanying documents to:**

EFG OFFICE  
European Federation of Geologists  
Rue Jenner 13, 1000 Brussels, Belgium  
**DO NOT WRITE BELOW THIS LINE**

---

**Full Name of Candidate:**

Certified that the applicant is a European Geologist with the European Federation of Geologists in good standing.

---

EFG Executive Director \_\_\_\_\_ Date \_\_\_\_\_

**COMMENTS:**

**Please indicate up to three fields of expertise and mark them one to three with one as the most important:**

SPECIALITY FIELDS OF PRACTICE	RATE	SPECIALITY FIELDS OF PRACTICE	RATE
Appraisals/Evaluations		Management	
Coal		Marine Geology	
Cold Regions/Permafrost		Mathematical Geology	
Computer Applications		Metallic Minerals	
Construction Materials		Micropaleontology	
Economic Geology		Mineralogy	
Engineering Geology		Mining Geology	
Environmental Geology		Natural Gas	
Envir. Impact Assmt.		Operations/Development	
Envir. Site Assmt.		Paleontology	
Exploration		Palynology	
Field Geology		Petrography/Petrology	
Forensic Geology		Petroleum	
General Geology/Earth Sci.		Phosphates	
Geochemistry		Planetology	
Geologic Modelling		Regional Geology	
Geomorphology		Remote Sensing	
Geophysics		Sedimentology	
Geostatistics		Seismology	
Geotechnical		Soil Science	
Geothermal		Stratigraphy	
Hazardous Waste		Structural Geology	
Hydrogeology		Tectonics	
Industrial Minerals		Uranium	
Investment Analysis		Volcanology	
Land Reclamation		Waste Disposal	
Leasing		Water Resources	

Please describe the general area of geosciences for which you are claiming competence (maximum of 20 words). This is particularly important to show the relationship between the fields you have indicated above.
