

EFG/UNECE conference:
International cooperation on natural resources
9 & 10 February 2017 | Brussels

UNFC in the post 2015 reforms

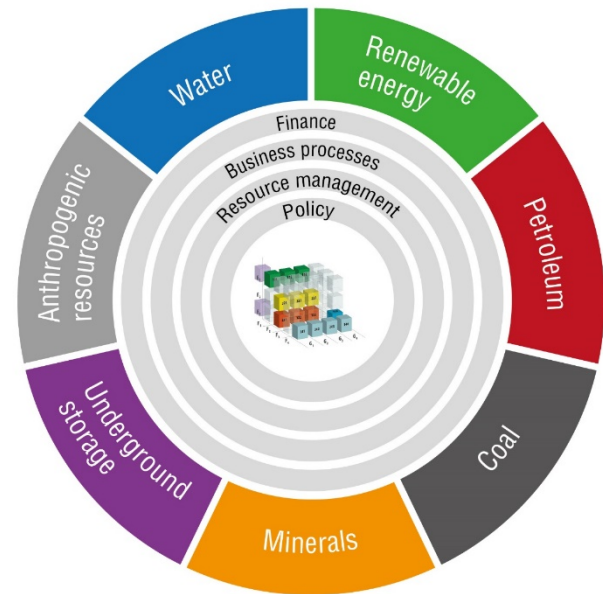

Better knowledge for wiser decisions in public private partnerships

Sigurd Heiberg

Fostering integrative dynamic capabilities in both the public and private sectors

- Securing value at source
- Ensuring alignment of stakeholder incentives
- For:
 - Comprehensive no-waste extraction
 - Enhanced environments
 - Professionals with transferrable skills

United Nations Resource Classification for Fossil Energy and Mineral Reserves and Resources (UNFC), an International classification of energy and mineral resources that include socio-economic conditions for extraction
