

Panel of Experts for Geological Heritage 2019 Report

Mónica Sousa
Coordinator

EFG Autumn Council Meeting
Brussels, Belgium
23-24 November 2019

Main activities in 2019

- Review of the PE information
- Proposition of a new PE member: Paulo Pereira (Portugal)
- Proposal for organizing an European event on Earth Day 2019 (only 2 replies)
- Proposal for organizing a joint EuroWorkshop with the PE on Education
- Collaboration with the 48th issue of the European Geologist Journal: call for articles “Geological Heritage of Europe”

Challenges

- Most of the PE members' emails are still inactive
- Difficulties in engaging PE members

Outlook

- New proposal for organizing an European event on Earth Day 2020
- Organization of a joint EuroWorkshop with the PE on Education
- Proposal for the development of joint outreach documents with other PE reinforcing the importance of Geology
